

NatWest

Accepting a new rate

Accepting via Mobile App

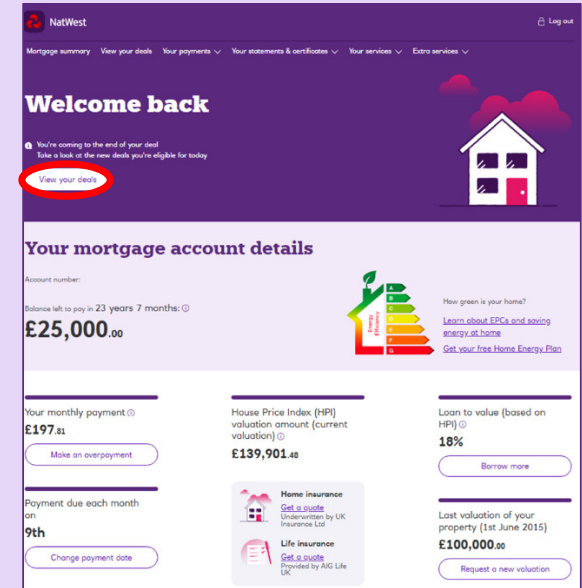

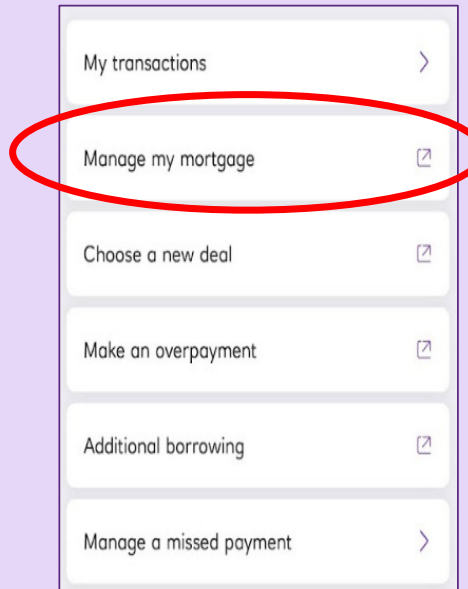

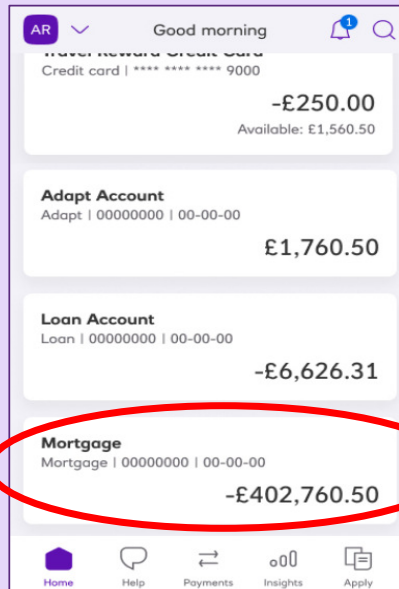

January 2025

When in the app, tap on your mortgage account.

From the menu, tap on “Manage my mortgage”.

You'll then be taken to Manage your Mortgage. From here, select “View your deals” near the top of the page.

If you're happy to go ahead with the new rate, enter your email address and click continue.

You can then download your switching document and agree with the declaration to accept the new rate.

The rate has now been accepted.

Your mortgage switching document

Read your important mortgage switching document

Your broker has requested a product switch for you. If you want to agree to the new rate then all borrowers will need to be here together online so that you can accept the new mortgage switching document. We need you to read and download your mortgage switching document. It shows the full terms and conditions of the rate you've chosen. You can request a mortgage switching illustration for any mortgage that NatWest is able to offer you.

Declaration

- We've read the mortgage switching document and understand that this is a contractual legal document.
- We want to enter this legally binding contract for our product choice at the new rate.

We agree with this declaration *
